

ZEESHAN ASGHAR

Web Designer & Developer

About Me

As a professional web developer, I have worked with clients from a wide range of industries, from innovative startups to well-established companies. I specialize in creating websites and digital solutions that not only look great but also drive measurable results, consistently exceeding client expectations.

Experience

Web Development & Design

2020 – Now

- Built responsive, user-friendly websites using WordPress (Elementor, custom themes, plugins) and modern front-end technologies.
- Redesigned and optimized websites to improve usability, performance, and visual appeal across all devices.

SEO & Website Optimization

2023 – Now

- Implemented on-page and technical SEO strategies, keyword research, and content optimization to boost search rankings.
- Improved website speed, indexing, and analytics setup to enhance performance and track results effectively.

Game Development (Unity Engine)

2024 - Now

- Created mobile and PC games, including concept development, prototyping, and asset integration.
- Optimized and debugged games to ensure smooth gameplay and delivered playable builds for testing.

Education

Virtual University of Pakistan

2022 - 2026

Bachelor's of Computer's Science
